HECKER'S FARINA, prepared expressly for families, a delicate and appropriate food for all seasons, and one of the most economical, natritions, and wholesome preparations even brought to the table, eminently combining the gratification of the palate with ample and healthful sustenance of the kody. Strictly speaking, lecker's farian is neither stringent nor laxative, but restorative, strengthening the digestive and absorbent system. In disordered bowels, distribute, adventerly, and even in cases of cholern, when food is deemed admissible by the physicians, Hecker's faring cannot fail to be salutary, and whenever known is extensively used in hospitals and private practice. The preservation of kee-lith, or the prevention of sickpess, is at least as important as the, suring of disease.

People in health should, therefore, use Hecker's faring case.
